COLOPHON

This Is Not An Autobiography

The goal of this website is to take my Instagram account and strip it of its personal qualities. This is done by extracting color palletes from the photos and creating nonsensical poems out of the corresponding captions. The final website will be a visually organized calendar of colors and words.

July 2014

Feeling like I'm ready,
To be back in this tiny
apartment on 15th St,
With charcoal on the walls,
And Duck Dynasty lighters in
the sink,
Dirty hipsters
Dropping acid,
Hopefully the neighbors don't
mind.
